

Three 9/8 Jigs Stitched Together (0016, 0017, 0018)

Eric Black 4/13/15
eric-black.com

1st Jig (1016)

2nd Jig (1017)

3rd Jig (1018)

(I hesitate to call these "Slip Jigs" because I prefer an even meter on the triplets, not the traditional syncopated Slip Jig cadence)
