G F E7 Dm/D Am F/A Am F/A

G F E7 Dm/D Am F/A Am F/A

Notes: Having to start over is both somber and exhilarating.

Play at 120bpm and I cry, play at 140bpm and it's uplifting. Maybe hard to dance at that tempo, though. 130bpm is a good compromise, even though the tune arose from a situation where compromise was not an option.
